INTRODUCTION

Innovation has become the key driver of progress in the 21st century. As the world faces complex challenges in sustainability, technology, health, education, and social development, there is an urgent need to empower the next generation of innovators.

The Innovation World Cup (IWC) 2026 is a premier international platform aimed at bringing together young innovators, researchers, educators, and entrepreneurs from around the globe. It provides a stage where groundbreaking ideas compete, cross-cultural collaborations are formed, and solutions for a better future are showcased.

Simultaneously, the International Invention, Innovation and Creativity Competition (I³C) 2026 will be organised, a renowned global event that highlights creativity and problem-solving among school and university students. By co-hosting both competitions, participants will gain exposure to two prestigious awards in one historic event, further elevating their achievements and recognition.

OBJECTIVES AND THEME

Objectives

- To create a global stage for students and innovators to present their groundbreaking ideas
- To foster international collaboration among schools, universities, & research institutions
- To recognise and reward excellence in innovation, invention, and creativity
- To build a global innovation ecosystem where ideas are transformed into real-world impact

THEME

“Innovate Beyond Borders: Shaping the Future Together”

This theme reflects the spirit of uniting minds across nations to develop solutions that transcend geographical and cultural boundaries.

Urgency: 30%

Visibility: 20%

Relevance: 20%

Presentation: 30%

TIMELINE

Registration Opens:

1 DECEMBER 2025

Registration Deadline:

15 FEBRUARY 2026

Registration Payment Deadline:

15 FEBRUARY 2026

Package Payment Deadline:

15 MARCH 2026

Publication Opportunity

All accepted projects will be published in UNJ's Journal, giving participants the opportunity to share their work in an academic and internationally recognised platform.

Dual Recognition (Gold/Silver/Bronze/Merit)

All participating teams will compete in both IWC 2026 and I³C 2026, receiving two international awards and certificates, further amplifying their recognition.

CERTIFICATE & MEDAL

Certificate & Medal of Award

For participants who achieve outstanding results or significant accomplishments during the competition

Certificate of Appreciation to Teachers/Supervisors

To honor the dedication and guidance provided by teachers or project supervisors to their teams

TROPHY & CASH AWARD

The Innovation World Cup 2026 in conjunction with I³C 2026 will be a milestone event in the global innovation calendar. By offering students and innovators the rare opportunity to earn two international awards in a single event, alongside the prestigious 10 Best Innovation Awards with **trophies and cash prizes**, it creates an unforgettable experience while driving real-world impact.

This event will not only honor outstanding achievements but also inspire a new wave of collaboration and innovation, proving that the future truly belongs to those who dare to create.
